

PIESGROVE TOWNSHIP SPECIAL NOTICE RESIDENTIAL WOOD CHIPPING

EFFECTIVE JULY 1, 2002 – Chipping of wood and brush at individual properties will be limited to TWO months each year. Since most clean-up of properties occurs in the Spring and Fall of each year, the chipper will be available to residents during the months of MAY for Spring clean-up and in OCTOBER for Fall clean-up. This will allow the Road Department personnel the ability to more efficiently schedule their work time.

RESIDENTS MUST CALL THE PUBLIC WORKS DEPARTMENT AT 769-0654 OR THE TOWNSHIP CLERKS OFFICE AT 769-3222 TO SCHEDULE THE CHIPPER SERVICE

<p>IF TREE LIMBS ARE NOT STACKED WITH ALL BRANCHES FACING THE SAME DIRECTION THEY WILL NOT BE CHIPPED UNTIL THE PILES ARE NEATLY STACKED FOR EASE OF HANDLING BY TOWNSHIP PERSONNEL</p>
--

PLEASE NOTE: This chipping service is intended as an aid in normal maintenance of properties. If residents are doing extensive tree removal on individual properties it is the property owner's responsibility to remove debris at the owners expense.

THE SIZE OF THE PILE OF LIMBS MUST BE LIMITED TO TEN (10) FEET LONG, SIX (6) FEET HIGH AND TO THE DEPTH OF THE LIMBS. LARGER PILES WILL NOT BE CHIPPED.

BRUSH AND LIMBS CAN ALWAYS BE DISPOSED OF AT THE TOWNSHIP CONVENIENCE CENTER DURING THE CONVENIENCE CENTER'S REGULAR OPERATING HOURS
